  - a. User Manual
  - b. About

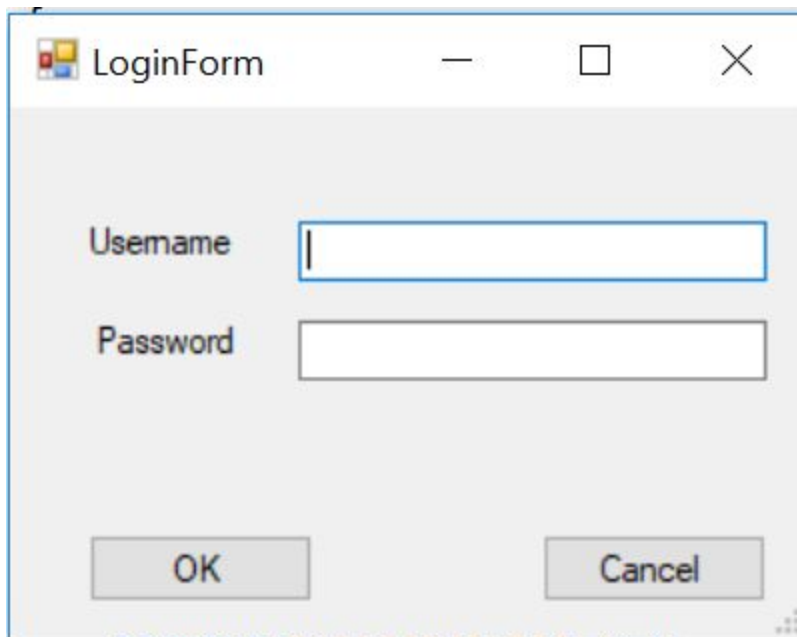

# Login Form

Ne momentin e pare qe hapet aplikacioni shfaqet forma per tu loguar ne aplikacion. Per momentin i kemi 2 lloje te useveve.

- Admin (Administratori qe ka qasje ne te gjitha funksionalitetet)
- Reporter (Reporteri qe ka qasje vetem tek forma e incidentit)

Fushat e nevojshme per tu loguar jane:

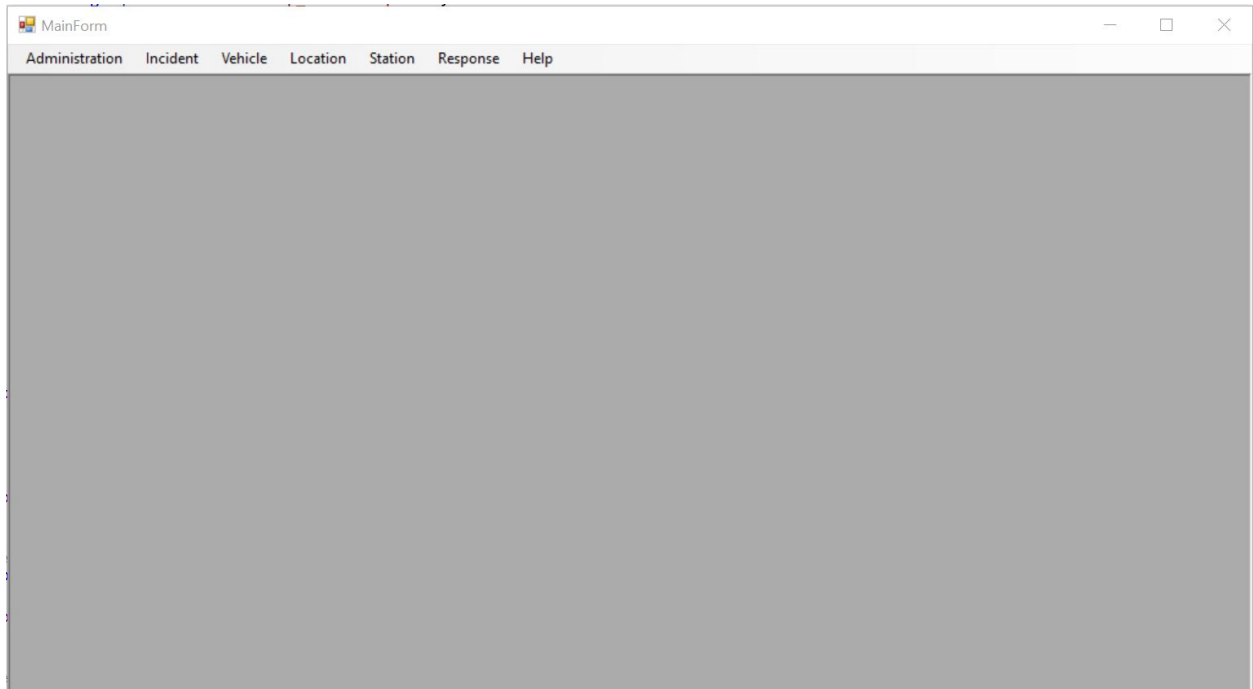

- Username
- Password

A screenshot of a Windows-style dialog box titled "LoginForm". The dialog box has a standard Windows window frame with a title bar containing the text "LoginForm" and three control buttons (minimize, maximize, close). Inside the dialog, there are two text input fields. The first field is labeled "Username" and the second field is labeled "Password". Below the input fields, there are two buttons: "OK" and "Cancel". The dialog box is set against a light gray background.

# Main Page

Ne rastin kur kyqja ne sistem ka qene e suksesshme hapet nderfaqja kryesore e aplikacionit (Main Page)

Ne kete faqe ekziston menyja kryesore dhe pjese ku hapen nderfaqet tjera te klikuara nga menyja

## Incident Page
